| <b>INDICATOR</b> | <b>DESCRIPTION AND HOW IT WAS CALCULATED</b>  |
|------------------|---|
| Graduation rate  | Graduation rate is the percentage of WSB's first-year undergraduate (Bachelor) and graduate (Master) students who complete their program within the full cycle of their study period. For Bachelor's degree students it is a three-year period, for Master's degree students it is a two-year period. The rate was calculated as follows: number of students graduating by 1 December, 2020 divided by the number of students enrolled in the first year of their studies at December 1. For Bachelor's degree programs the period covers 2017/18-2019/20 (three year cycle); for Master's degree programs the period covers 2018/19-2019/20 (two-year cycle) |
