

Admission requirements

For undergraduate studies (BA/B.sc.):

- The original secondary school leaving certificate and transcript of grades, entitling to undertake university-level study in the country in which the certificate/document was issued.
- Eligibility statement (It is a document confirming that your high school leaving certificate officially entitles you to access higher education in the country where your certificate was issued. Remember that if you are not allowed to access university in the country where your certificate was issued, you are not eligible to study in Poland. The eligibility letter should clearly state that it allows you to apply to any University in your country, not Poland! See examples of eligibility letters in the "Eligibility" file.
- Legalization of your secondary school leaving certificate or apostille. Here is the list of countries that are participants of the Apostille Convention: <https://www.gsccca.org/notary-and-apostilles/apostilles/hague-apostille-country-list> . If your country is not on the list, you need to have the Consular legalization before coming to Poland. You can find the guide in the "apostille and legalization" file.
- A document confirming proficiency in English (at least B2 level*). If you do not have such a certificate, you can take a test with us. Please register here. This requirement does not apply to students who have completed their high-school education in English.
- A passport photo (45mmx35mm)
- Postal address document/Admonition. You can download it here. If you don't have a postal address in Poland or any EU member state, just write "not applicable" in each field and sign it.
- Other documents generated by the system upon enrollment online such as agreement**, questionnaire, and application.
- Proof of payment of administration fee of 121EUR/485PLN***

*We accept most of the certificates such as FCE Cambridge, IELTS (min. 5.5), TOEFL IBT (min. 87) TOEFL CBT (min. 180). Upload or send us your certificate and we will let you know if it is accepted for admissions purposes.

** Make sure you sign the agreement digitally or by hand. There are 6 fields where your signature is required.

*** You can pay your admission fee together with the tuition. Remember that most of the Consulates require at least one-semester payment at the moment of visa application. In case of visa rejection, we refund the tuition fully.

****Please remember that the admission fee (121 EUR/485 PLN) is not refundable.

Keep in mind that you will have to bring to Poland hard copies of your documents which have been already legalized either with an Apostille or at the Consulate. Hard copies of legalized/ apostilled documents together with the eligibility letter will be required for the recognition. You can read more in the "Recognition in Poland" file.

For graduate studies (MA, M.sc):

- The higher education diploma (BA, engineer diploma, or equivalent) and transcript (student copy) of grades entitling to continue university-level study in the country in which the diploma was issued.
- Eligibility statement, if your country is not on the list of country-specific requirements below. (It is a document confirming that your bachelor's Diploma officially entitles you to access higher education at the Master's level in the country where your certificate was issued. Remember that if you are not allowed to access university in the country where your certificate was issued, you are not eligible to study in Poland. The eligibility letter should clearly state that it allows you to apply to any University in your country, not Poland! See examples of eligibility letters in the "Eligibility" file.
